

**FUTURE FOCUS
TRUTH-IN-SAVINGS DISCLOSURE**

The rates, fees, and terms applicable to your account at the Credit Union are provided in this Truth-in-Savings Disclosure. The Credit Union may offer other rates for these accounts from time to time.

Effective Date	
-----------------------	--

ACCOUNT DISCLOSURES

- 1. Rate Information:** The rates, fees and terms applicable to your Future Focus Account are provided in this Truth-in-Savings Disclosure. The dividend rate is ____% and the annual percentage yield is ____%. The dividend rate and annual percentage yield may change at any time as determined by the Credit Union Board of Directors. You should consult the Important Account Information for Our Members pamphlet for information concerning any other account you may have with Central One Federal Credit Union
- 2. Nature of Dividends:** Dividends are paid from current income and available earnings, after required transfers to reserves at the end of a dividend period.
- 3. Dividend Compounding and Crediting:** The compounding and crediting frequency of dividends is quarterly. Upon closing an account, a member forfeits dividends before accrued dividends have been credited to the account.
- 4. Dividend Period:** For each account type, the dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period. If the dividend period is monthly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the last day of the dividend period and for the example above is January 31.
- 5. Average Daily Balance Computation Method:** Dividends are calculated by the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. The average daily balance is calculated by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period. The dividend period is stated in the Rate Schedule.
- 6. Accrual of Dividends on Non-cash Deposits:** Dividends will begin to accrue on the business day you place non-cash items (for example, checks) in your account.
- 7. Balance Requirements:** To open any account, you must purchase a share in the credit union and maintain this as a minimum deposit in an Owner Voting Share Account. The par value of a share in this account is \$5. The first home savings account requires a \$100 minimum opening deposit, and \$100 deposit per month for a period of at least 18 months to earn the stated APY and avoid program disqualification.

8. Account / Transaction Limitations:

The following limitations will apply:

Owner Voting Share Account: You must maintain \$5 as a minimum deposit in an Owner Voting Share Account.
Share Draft Account: No transaction limitations apply to this account unless otherwise stated in the Agreement.
First Home Savings Account: This account is available only for first time home buyers and requires an active COFCU share draft account and a monthly electronic deposit, including payroll (if employed), pension, Social Security or unemployment to the share draft account. It also requires electronic statements and online or mobile banking. After the First Home Savings account is opened, you must make a minimum contribution to the First Home Savings account of \$100 each month for a minimum of 18 months to maintain this account. You may not make withdrawals of principal or dividends from the First Home Savings account for purposes other than the purchase of a home financed by Central One, with the exception of a one-time withdrawal for a fee of \$25. Any subsequent withdrawal from this account for a purpose other than the purchase of a home financed by Central One, or if the account requirements are not met, will result in the entire First Home Savings account balance

being transferred to your regular share account and your First Home Savings account will be subject to closure by the credit union and assessed a non compliance fee of \$25.

9. Fees and Charges: The following fees and charges may be assessed against your account:

First Home Savings Account – Withdrawal fee \$25 (Only one permitted). Non compliance fee \$25 at second withdrawal.
